This service is designed to provide your home with consistent maintenance and service which gives you:

- Fewer breakdowns and problems with your home's fixtures and appliances.
- Better efficiency which equates to lower utility costs.
- Longer life for your home's vital components.
- Professional care means you save money and time, which gives you more freedom for you and your family.

All our plans run throughout the year.

The more items you choose, the more frequent our visits during the year.

Your Home Hero can:

Inspect and Adjust

Oil and Lubricate Motors, Faucets, Hinges

Change Batteries in Vital Devices

Smoke Detectors

CO Detectors

Doorbells, Garage Door

Keypads

Thermostats

Test Equipment and Fixtures

In addition to your 25% year long savings, you'll also receive:

An extended warranty as long as your maintenance and service plan are in force.

Coverage on any breakdowns caused by:

Lack of Maintenance

Improper Installation

Overlooked Issues

Poor Service

Plan pricing is determined by your home's size and options you select.

Each plan starts with the following core items:

- Electrical Inspection and Adjustments
- Plumbing: Power Flush and Adjustments
- Safety Inspection: covers all critical functions of your home.
- Structural Inspections
- Appliance Maintenance

ALL STARTING AT THE LOW PRICE OF \$325 PER YEAR!

Ask your Home Hero for your special pricing today!
